Mirna: shut them down!
Mirna: itll be great for your memoirs
Mirna: everyone is counting on you
Mirna: this will get the gay community behind anonymous
Mirna: freedom fighter
Mirna: !
me: no, we shut that op down
me: we've got bigger fish to fry
Mirna: no
me: got some Anons releasing their dox
Mirna: no barty itll take 10 minutes to kill them
Mirna: ruin them!
me: addresses, home phone numbers
me: kill them how?
me: DDOS attacks?
Mirna: shut down their websites
me: we're just posting their info, and it's just lower Anons doing that
me: we can only do that temporarily and we need our DDOS for Middle East
Mirna: well send it to jezebel
Mirna: their personal info
me: k
Mirna: jezebel loves you right now
me: you need to download an IRC client
me: Anon?
me: They should have loved us previously
me: everyone loves us now
me: except for FBI
